

PETITION

to Occupy, Restore and Reuse P.S. 109 as a public school

To: New York Governor Andrew Cuomo,
New York City Mayor Michael Bloomberg, and
New York City Education Department Chancellor Dennis Walcott

We the undersigned support the occupation of P.S. 109, located at 215 East 99th Street, New York, NY, to restore it to its original splendor, reuse it a public school for the children of East Harlem / El Barrio, and to prevent any diversion or removal of the subject building from public education. Specifically we oppose the conversion of the community resource into a luxury residence and specialized artist space under the Minneapolis real estate developer known as “Artspace”, as currently proposed by certain politicians, officials and bureaucrats.
