\$135.88, provide 1 Guard Booth and bill you \$250.00 per month with a 4 month minimum charge payable in advance.

Please provide us with a list of emergency phone numbers and people to contact in case of any incidents. You may contact our 24-hour, 7 days a week dispatchers at 212- 244-5050. They will contact us and provide any emergency response. We started service on 3/31/00 at 8:00 AM.

As of this date there is neither a guard booth being provided by the Board of Ed nor a list of emergency phone numbers as per our agreement at your offices on 3/23/00. Due to this fact we had to provide a higher level guard with a vehicle and are therefore billing you at our emergency rates plus the daily vehicle rate until a guard booth is provided. Today 4/17/00 you asked us to provide the guard booth, this will take about a week to get in place. Please issue purchase orders to us to cover these costs.
