Jennifer L. Raab, Chairman
Landmarks Preservation Commission of the City of New York
100 Old Slip
New York, NY 10005

Dear Chairman Raab:

I write this letter in support of the nomination of P.S. 109, located at 215 East 99th Street, New York, NY, to be designated a New York City landmark.

I have been an ongoing supporter of the Coalition to Save P.S. 109 in its efforts to preserve and renovate this Charles B.J. Snyder school. The building is not only a vitally needed educational facility but also an architectural treasure. P.S. 109 should be officially recognized for its extraordinary, historic design and contribution to the community surrounding P.S. 109.

P.S. 109 is now on the New York State and National Registers of Historic Places. New York City landmark status will further protect the building. I support the nomination of P.S. 109 to be recognized with New York City landmark status.

Sincerely,

Irving Hamer, Jr.
